1. ☒ The amendment filed on 08 November 2004 under 37 CFR 1.312 has been considered, and has been:

- a) ☐ entered.
- b) ☐ entered as directed to matters of form not affecting the scope of the invention.
- c) ☐ disapproved because the amendment was filed after the payment of the issue fee.

Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.

- d) ☒ disapproved. See explanation below.
- e) ☐ entered in part. See explanation below.

Entering the amendment would require more than a cursory review of the amendment. Examiner notes, for example, the presence of 112 issues including, but not limited to, the phrase "the opening" in the last line of new claim 20. It is unclear to Examiner as to whether the opening intends to refer to the at least one first opening or the at least one second opening.
